## Stringisimo Woodlands

By Jack

Stringisimo is the Woodlands afterschool club Orchestra that takes place on a Wednesday afternoon. It is run by Miss Trenchard and Mrs Parsons.

On Monday 11 of November, Stringisimo went to the Milford hotel. Eleven representatives got sent to play in front of the Lord Mayor of Salisbury and the Rotary Club who sponsor them. They played Rocky Mountain and Boil 'em Cabbage Down. The crowd erupted with applause when they finished all their pieces.

When Stringisimo stopped playing the mayor invited them to play in the guild hall! She said that they played fantastically and that's when she invited them to the guild hall. Now orchestra are practicing Christmas tango, Juliet by Lawson, Jingle Bells and Walking in the Air. Although, we don't know when we are going to the guild hall, we do know that we will be playing Juliet and a few more songs.

During violins we learn different skills during the register. Stringisimo are getting better at violin, viola, cello and double bass. Although they say there is always room to practice on their pieces of music. "Stringisimo is actually a good after school club, I really enjoy going and other people may as well and I love the pieces" commented one of the children that go to orchestra. Everyone who I have spoken to say, that they love orchestra and have a great time there. What a great club!

## The Christmas Play

By Declan and Sadie

The Mrs. Nouwans (Y5 teacher supply teacher) volunteered to direct the Christmas play this year. It was called; Let's Do A Nativity.

A few of the cast commented on this years play.

"It is actually quite fun." The bully's mate/ Jack axford.

"In comedy I would generously give it 5 out of 5 stars "Prima Donna/ Emily true.

"Fantastic and well organised" shepherded/Lilly Cooper.

Rehearsals took place before the production and the cast all worked very hard. This play took place on December the 11<sup>th</sup> and 12<sup>th</sup>.

Mrs Nouwans has really enjoyed her involvement in the Christmas production.

"All the children have focused and have been enthusiastic from the beginning" she said.

It has been a real ensemble production, with lots of speaking parts, solo's and choir.

# Girls Football

By Emily

On the 25<sup>th</sup> of September the girls football team of: Lucy Hunt in goal, Georgia Brown and Sinead Johnson in defence, Tia Dorland and Jamie-Jade Christopher in midfield and Emily True and Imogen Brady in forward played the cluster match at Pembroke Park Primary School. On the first match we played Pembroke Park. We all thought that they would have a head start on the match as it was their school field we were playing on, but no, we played really well and no surprise... we won! And this small victory set off a positive attitude on the players, as our second match

was against Great Wishford and we were all shocked because we won 5-0!

But during that second match the rain clouds started to form and for the last six matches it poured down with rain. By this point we were all frozen stiff, but we kept pushing ourselves onwards until our final match. "I think we all played extremely well," quoted Imogen.

When the results came in we were all thrilled as we came third! All that effort to achieve the third place medal. Amazing!

## Girls Football Game

# Pudsey's spotty fun

By Olivia

Woodlands primary school made an effortlessly £107.39 for children in need.

For this special day the school council came up with the most brilliant idea... A pyjama party. To spread the news the school council made a clear poster with all the details on.

Friday 15<sup>th</sup> of November we all appeared to show up in

our pyjamas or onesies. In order for us to come to school in our groovy and snazzy pyjamas, we had to pay a pound. So when we counted up the cheap money. We had absolutely no idea and reason why we had £0.39 left over.

Even though it was ending late, I expect nearly all of Woodlands primary students, TA'S and teachers all watched Children in need that night.

I wonder what Woodlands primary school will do next year?

# The Christmas Bazaar

Written by Emily and Jack

On Monday 16<sup>th</sup> December the Christmas Bazaar opened at 2.45pm in the school hall with lots of wonderful things to buy.

All the classes in the school were making things to sell; Yr. 5 and Yr. 6 were selling collages or water colours of river Nadder, they also made river snap card games.

Yr3 and Yr4 made

colourful Tudor Roses.

Yr1 and Yr2 made beautiful cards, gift cards to put on gifts and presents ornaments to hang on a Christmas tree to make your Christmas extra special.

It was a huge success. All classes sold out of stock!

## Teacher Feature Mrs Stopps

By Sadie and Declan

Mrs Stopps has given up some of her precious and valuable time to tell us about herself and her teaching career. As some of you may know Mrs Stopps has been working at Woodlands for 16 years which to me is a long time. Mrs Stopps is 48 years old and is the longest serving teacher but not the longest serving member of staff!

Mrs Stopps likes: Reading books, going on holidays to hot, sunny places and other places like New York (although it is not a very hot and sunny place she still likes to go there for holidays!).

Mrs Stopps also likes eating chocolate but only on special occasions. She also likes to bake cakes and chocolate. She is a family person and loves to spend lots of time with her family she likes going on family days out like going to parks just as much as going to places like Disney land.

Mrs Stopps is very overjoyed with the promotion as Deputy Head but is also very happy with being Acorn class's teacher.
