

WOODLANDS PRIMARY SCHOOL MEDIUM TERM PLANNING

TERM: Autumn 2014

HALF: Term 1

YEAR GROUP: 1

SUBJECT: Maths

Weeks	Learning Objective(s)	Activity (Including Cross-curricular links)	Resources
1	To recap cardinal and ordinal aspect of number.	A.F.L. Variety of counting, sorting, and ordering activities to assess next steps to be taught. Big Maths Sorting activities Numicon Cardinal number Ordinal number. Assess children's understanding of number to 20.	
2	Cardinal aspect of numbers to 10 Ordinal aspect of number to 10 (extend to 20 for H.A)	Big Maths Making sets. Maths games eg bunny bunny and others from The Bear Necessities. Making a number line to 10 or 20 ICT maths games	Talk it solve it.p14 Maths out loud p.22 lesson 1 and 2.
3	Ordinal and cardinal aspect of numbers to20 Numeral formation	Big Maths Counting to 20 and back to 0 in ones, Jumps on a number line: adding 1, adding2, adding 3 etc The Bear Necessities Choral counting Number formation books Card games ICT maths games Counting sounds and recording on white boards or using number fans. (Test for conservation of number. P26 Deboys and Pitt)	ENL block 1A Maths out loud lesson 4 p28. Talk it solve it.p16

4	Ordinal and cardinal aspect of numbers to 20 Numeral formation	Big Maths Counting to 20 and back to 0 in ones, Jumps on a number line: adding 1, adding 2, adding 3 etc The Bear Necessities Choral counting Number formation books Card games ICT maths games Counting sounds and recording on white boards or using number fans. Continuous counting (child walks and counts steps, taps child on shoulder they continue)	ENL block 1A Maths out loud lesson 4 p36 Talk it solve it.p 18
5	Ordinal and cardinal aspect of numbers to 20 Numeral formation Component of number	Count Big Maths The Bear Necessities Counting to 20 and back to 0 in ones, Ordering 3 numbers Number formation books P28 Deboys and Pitt	ENL block 1B Maths out loud lesson 4 p38 Talk it solve it.p 18
6	Ordinal and cardinal aspect of numbers to 20 Numeral formation Addition by combining sets Addition by counting on	Big Maths Jumps on a number line: adding 1, adding 2, adding 3 etc Counting to 20 and back to 0 in ones, The Bear Necessities Number formation books Deboys and Pitt p 30 Number line games.	ENL block 1B Maths out loud lesson 4 p52
7	Ordinal and cardinal aspect of numbers to 20 Numeral formation	Big Maths Jumps on a number line: adding 1, adding 2, adding 3 etc Counting to 20 and back to 0 in ones, Number formation books Number line games.	ENL block 1B Maths out loud lesson 4 p54
