

## **Organisational Information**

### **Reading Records**

Your child's reading record should be returned to school with their reading book every day. Please sign and comment every time you read with your child. You can use the reading record for any notes too. Thank you.

### **Library Books**

Library books are chosen by the children to share with you at home. They will have an opportunity to change them each week. If your child's library book has been lost, they will be unable to choose another until a contribution has been made to replace the cost of the book.

### **PE Kit**

This should be left in school as the PE timetables vary from week to week and will be sent home at the end of each half term. Long hair needs to be tied up so please make sure your child has a hair bobble if needed. Also ear rings will need to be removed. If they cannot be, the children will need to bring in plasters to cover their ear rings.

### **Other arrangements**

All school uniform/coats/bags/hats/water bottles etc. should be clearly labelled with your child's name to avoid confusion and lost property.

Year 1

## Curriculum Information Spring Term 2017
