Healthy Schools Silver Award – Project Me – Led by the School Council

This week's newsletter starts with the fantastic news that Woodlands has achieved the Healthy School Silver Award. *It was so gratifying to hear from the Wiltshire Healthy Schools Award panel that they have accepted our bid to be able to boast about our silver award status once again. 'The group feels that your audit and case study clearly meets all the current criteria for silver level and so I am delighted to confirm your achievement.'*

The group was impressed by your varied and comprehensive evidence. It is extremely encouraging to hear about all the excellent work that has taken place at the school during the last few years. The case study on body image was brilliant to read. What a great idea, and we thoroughly enjoyed reading it.'

You can see us on the updated status list for all Wiltshire schools:

A huge thank you to Ms Garton for leading the project and in particular the School Council (2020-2023) for all of their ideas and progressive thinking. They have changed and updated so many school policies, organised projects and encouraged mutual respect and understanding throughout our school community.
