Staff changes for 2023/24:

I am sad to announce that Mr Mawdsley will be leaving us at the end of this term as he looks forward to starting his well-deserved retirement after over 30 years in education. He has made a great impact teaching at Woodlands on two occasions – the first in 2019 and then he joined us again in March 2022. His energetic and dynamic teaching has ensured that many children have benefited hugely from his time with us. His humour and willingness to take on a new class/school mid-year in 2022 was greatly appreciated and we wish him well.

I would like to welcome Mr Wakeman who will be joining us in September 2023 as the new Year 4 Class Teacher.

Meet the new Teacher Arrangements:

Pupils will spend time in their new class on the morning of **Wednesday 5th July from 9.15am until the morning break.**

Kind regards
Matthew Kitley
Headteacher
