Every Day Counts....

Tesco Stronger Starts Fruit and Vegetable Funding

As you already know we have been selected to receive funding from Tesco to spend on nutritious fruit and vegetables for our pupils through its new initiative, Tesco Fruit & Veg for Schools, a part of their national Stronger Starts community programme. Tesco's aim is to enable schools to provide at least one extra piece of fruit or veg to every child every day.

As you know, a healthy diet is essential for children's growth and development and gives them plenty of energy for a day at school. This initiative will help to make sure that every child at Woodlands Primary School has a chance to access a range of delicious nutritious food. This may be as a healthy snack during the day, or something that they can bring home to include in your evening meal.

This week (most of) the children have really enjoyed tasting raspberries. Mango will be the fruit for next week.
