Learning Organiser: What is the geography of where I live like?

Key objective

Identify, describe and suggest reasons to explain the main physical and human features of the locality of the school

Important things I will know, understand and do

The physical and human features of a range of significant geographical locations

The physical and human features of my locality

What the term 'land use' refers to

That the main types of land use are transport, residential, economic activity, public services, open space and agricultural

How to carry out fieldwork including the use of Google Earth Pro and Google Street View, to identify, describe and record the main types of land use in the locality of my school

Present the data I collect through fieldwork graphically and as a land use map

Suggest reasons to explain what my results show

Where I live in the United Kingdom in relation its four nations, largest cities and the European continent

Ways in which the environment of the local area has changed in the past and is changing now, and the possible reasons for this

How to plan and plot a geographical tour around the local area that includes its key physical and human features

Important geographical techniques I will use

Fieldwork data	Identify, observe and record data using digital
collection	imagery, tally charts and outline maps of the locality
Data	Bar graph, pictogram, terrestrial photographs,
representation	annotated maps
Mapwork	Street plans and 1:25,00 Ordnance Survey maps
GIS	Google Earth Pro and Google Street View

GIS Mapping (Geographical Information Systems) I will use

Google Earth Pro

Important maps I will refer to

Street plans of my locality

Ordnance Survey maps of my locality

Disciplinary thinking skills I will use to understand what I learn

Recognise	Name and point out who or what something is
Identify	Distinguish something or someone from others that may be similar
Describe	'Say what you see'. Give an account in words of something or someone
Observe	Identify and distinguish with a degree of analysis some things that may potentially
	be more noteworthy or important than others
Select	Decide upon and choose that information considered most suitable or relevant
Categorise/ Classify	Arrange information into particular groups according to shared qualities or
	characteristics
Sequence	Place a set of related events or things that follow each other into an order
Compare and contrast	Find similarities and differences
Recall	Remember and recount something learned
Reason/ speculate	Thinking and forming ideas about something without necessarily firm evidence yet
	to back it up – conjecture, supposition
Summarise	Outline or sum up briefly the main points about something

Learning Organiser: What is the geography of where I live like?

Important geog	Important geographical concepts I will understand		
Urban	a built up area such as a city with a		
	high population density		
Rural	areas of countryside outside of		
	towns and cities		
Physical	natural things that would be present		
feature	even if there were no people		
Human	things that have been constructed		
feature	by people		
Environment	the particular physical and human		
	features which make places		
	distinctive		
Region	an area of land that has common		
	features such as a particular climate		
	or religion		
Land use	how people have decided to use an		
	area for a specific purpose such as		
	farming or building towns and cities		
Country	a nation with its own government		
	and territory		
Location	the position of something on Earth		
Transport	carry people or goods from one place		
	to another by vehicle, aircraft or ship		
Residential	areas where the majority of land is		
	occupied by people's homes		
Public service	something provided for the benefit		
	of people by the government		
Economic	making a product or providing		
activity	something that others pay for		
Open space	land that is mostly covered with		
	grass, trees, shrubs or other		
Agricultural	vegetation		
Agricultural	growing crops and rearing animals on farms		
Settlement	any place where people live such as		
Settleffield	a village or city		
	a vinage of city		

City a place where many tens of thousands of people live and work very closely together alongside shops, offices and businesses Town a place with lots of houses where people live and work that is smaller than a city Village a place with a small number of houses for a few hundred people found in the countryside Hamlet a very small place with just a collection of houses but no shops or other amenities Commercial something involving making products or providing services to make money Retail selling things directly to customers in shops Farm an area of land used to grow crops or to rear animals Arable land used for growing crops on farms Pastoral land used to rear livestock on farms Service Service: something that people buy but is not a physical product such as a holiday		·
