

## **2019 School Results Summary Validated Data – Woodlands Primary School**

We are particularly pleased with our above average attainment in Key Stage 1 and 2 Maths and our significantly improved progress in KS2 Writing and Maths. Our key areas for development in 2020-21 are to further improve the Reading progress score at the end of Key Stage 2 and increase the children reaching the expected standard at the end of Key Stage 2 in Reading. Our progress score in Maths (+1.7) is particularly high and is the result of our strong focus on Arithmetic skills and improvement in children's depth of thinking in their Mathematical reasoning. We are particularly delighted with the children's performance in Maths at the end of Key Stage 2. Once again, these good outcomes are the result of the hard work and dedication of all of the staff who support the children's education so well.

### **% of children meeting the expected standard at the end of Key Stage 2**

	Reading	Writing	Maths	RWM Combined
Woodlands	51.7%	62.1%	79.3%	41
